Tree plantation programme

Awareness on tree plantation

The department of Geography with the assistance of NSS of Nonoi College organised an awareness program on tree plantation on 10th August 2017 at Kathiatoli. The Ranger of the Kathiatoli Forest Office inaugurated the programme by planting a sapling then delivered a speech on the importance of tree plantation. All the faculties of the geography department and 20 students along with some local people were present there. The students planted some saplings of various types. The motto of such a program is to repair the wounds of the environment which occurred due to the destruction of nature by man which harms the balance of our world.
